

Terms and Conditions

By visiting this website or by communicating with TOKODE.com through email, you agree to be deemed a "User" to www.tokode.com (referred to as "TOKODE.com" and sometimes referred to as the "Service"), and shall be bound by this Agreement. Please read carefully the following terms and conditions of use (the "Terms and Conditions") which govern your use of this Website and its products and services (including, but not limited to, the Daily Report, and any subscription products or services) and your relationship with Tokode Ltd and all individuals and companies associated with this Website (collectively referred to as "TOKODE.com" or "We"). If you do not agree to these Terms and Conditions, do not use the Service.

Terms and Conditions

By using TOKODE.com, including any services, products, software and content contained therein, you agree that use of the Service is entirely at your own risk. TOKODE.com is not a registered investment advisor or a broker dealer. You understand and acknowledge that there is a very high degree of risk involved in trading securities. Past results of any individual trader published on this Website are not indicative of future returns by that trader, and are not indicative of future returns which be realised by you. The same goes for backtested results which may be published or discussed. TOKODE.com and Oluwatosin Tokode will reference and share many historical and hypothetical performance results which have many inherent limitations, some of which are described below. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown. In fact, there are frequently sharp differences between hypothetical performance results and the actual results achieved by any particular trading program. One of the limitations of hypothetical performance results is that they are prepared with the benefit of hindsight. In addition, hypothetical trading does not involve financial risk, and no hypothetical trading record can completely account for the impact of financial risk in actual trading, including the ability to withstand losses. Finally, past performance is in no way indicative of future results.

We assume no responsibility or liability for your trading and investment results. The Daily Report, Strategies, Algorithms, Communications, and all other features of TOKODE.com (collectively, the "Information") are provided for informational and educational purposes only and should not be construed as investment advice. The analysts and employees or affiliates of TOKODE.com may hold positions in the securities discussed here. You should not rely solely on the Information in making any investment. Rather, you should use the Information only as a starting point for doing additional independent research in order to allow you to form your own opinion regarding investments. Factual statements in this web page are made as of the date stated and are subject to change without notice.

By using the Information on TOKODE.com, you assume full responsibility for any and all gains and losses, financial, emotional or otherwise, experienced, suffered or incurred by you. TOKODE.com does not guarantee the accuracy, completeness or timeliness of, or otherwise endorse in any way, the views, opinions or recommendations expressed in the Information, does not give investment advice,

and does not advocate the purchase or sale of any security or investment by you or any other individual. The Information is not intended to provide tax, legal or investment advice, which you should obtain from your professional advisor prior to making any investment of the type discussed in the Information. The Information does not constitute a solicitation by the information providers, TOKODE.com or other of the purchase or sale of securities.

NEITHER TOKODE.COM NOR ANY OF ITS EMPLOYEES, AGENTS, SUCCESSORS, ASSIGNS, AFFILIATES, OR CONTENT OR SERVICE PROVIDERS SHALL BE LIABLE TO YOU OR OTHER THIRD PARTY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF USE OF SERVICE OR INABILITY TO GAIN ACCESS TO OR USE THE SERVICE OR OUT OF ANY BREACH OF ANY WARRANTY.
